Dr M Mansion Department of Civil Engineering University of East Anglia

Dear Dr Mansion,

As you may remember, my job here at Longiron & Co is only temporary. I have just applied for a post as Senior Engineer with Bingley & Smith in Glasgow and have taken the liberty of giving your name as a referee.

I hope you will not mind sending a reference to this company should they contact you. With luck, I should find a permanent position in the near fature, and I am very grateful for your help.

With best regards,

Yours sincerely,

Helen Lee,
